

LCBDD News & Updates!

Good afternoon to all of our Provider Partners! Hope your day is going great. Please check out the information below, and let me know if you have any questions on any of it. There is also a FREE Trauma-Informed Care training this Friday, 5/12/17, 9:30-11:30, Newark Library Room A. Give me a call or e-mail if you haven't registered.

Thanks,
David

LCBDD offering Agency New Staff Orientation training

The Licking County Board of D.D. is offering a new staff orientation session monthly. This FREE training fulfills 6 of the 8 hours required for new Direct Support Professionals. (The remaining 2 hours is reserved for each agency to train on their internal processes and procedures.) June's session will be on **Monday, 6/5/17,**

and will be a 1-day session. Please contact Teresa Whipkey for additional information and to register staff. (740) 349-6588, or teresa.whipkey@lcountydd.org

Or, register on-line at www.SignUpGenius.com/go/4090E49ACA92FA4F85-newagency

Action Plan Workgroup/Training

Outcomes, Action Plans, and Learning Logs- Oh, My!

Join us to learn about each of our roles in helping people create the lives they want, and how the ISP process and provider documentation helps drive the process. Participants will learn about requirements around the process and provide input to improve results.

The session will be held on **Weds, May 31st, 9:30-11:30** at the Newark Library (Room A).

Contact David to register- david.mcmanus@lcountydd.org or (740) 349-6588.

When the Workshop Closes

Check out this article from a provider agency in Tennessee. It's a great read about the transition to and success of community based services for a provider that was facility-based for 41 years. (Shared by Justin Blumhorst, Capabilities)

FREE webinars on Serving People with Mental Illness & D.D.

LCBDD News & Updates!

DODD recently completed two webinars regarding serving people with Mental Illness and DD (MI/DD). They were recorded and are now posted in the DODD Webinar Catalog. I wanted to send out the links for your convenience. The first webinar provides foundational information presented by Dr. Julie Gentile. The second webinar provides information by Dr. Gentile and the experiences of 3 County Boards with developing MI/DD Teams.
