

COVID-19: What we know today

Paycheck Protection Plan FAQ

For those of you who have received or applied for a Paycheck Protection Plan loan, OPRA has shared an FAQ from Vorys on aspects of the loans, including loan forgiveness details. Additional guidance is still forthcoming from the Small Business Association. [Click here for the FAQ.](#)

Responsible Restart webinar slides

[Click here for the presentation slides from a Responsible Restart Ohio webinar held this morning.](#) While DD services are not addressed directly, there is a lot of good information in these slides for our reference.

FREE training: The Impact of Unresolved Trauma & Attachment Issues in the Behavior of Persons with IDD

Persons with IDD often have increased vulnerability to being traumatized even by things we might not suspect would be traumatizing. This is related to a number of factors including difficulty understanding what is happening or reading the social context, difficulty communicating and asking questions, limited resources and access, among many more. The same factors can also lead to difficulty establishing healthy relationships and attachments. Often new behaviors surface that are trauma related. This webinar will focus on the importance of looking for evidence of trauma and developing skills that can be supportive when new behaviors surface.

AAHD COVID-19 Disability Survey: Return by May 1

The American Association on Health and Disability (AAHD) is conducting a confidential, real-time online assessment of the impact of the coronavirus pandemic on healthcare and healthcare access among persons with a range of disabilities. We are asking our colleagues to share the survey broadly among your constituents. Please use this link <https://www.surveymonkey.com/r/COVID-19-Disability> in your listservs, newsletters, social media platforms, and other print and electronic dissemination strategies to help reach the most people. The survey will be open from April 17th, 2020 to May 1st, 2020.
