

THE EXCELLENCE NETWORK

FOSTERING COLLABORATIVE LEADERSHIP
TO DRIVE AGENCY EXCELLENCE IN
LICKING COUNTY

AGENDA

10/16/20

(Online virtual meeting)

• Old Business/Updates

- **COVID cases in Licking County:** seeing an increase in local cases. Please make sure your DSPs know and are following proper protocol re: masks, hand washing, etc; and that all staff coming into regular contact with people (nursing, transportation, etc.) are doing the same. If you note issues, please let David or Brandi know.
 - **Congregate Nurse at Licking County Health Department:** Brandi has a call into this nurse to get more guidance. Additional nurses available at the Health Department if anyone should have any questions or concerns.
 - **Licking County:** Level Red
- **December TEN mtg:** moved to Friday, Dec. 4th at 10:00. The meeting will include training for Providers on the new software system (Brittco) LCBDD will move to in January 2021.

• New Business

- **Provider services offered by MEORC**
 - Free online trainings for providers
 - David will follow up to determine if these online trainings can be counted toward competency based add-on
 - Financial assistance is available to provider agencies to help with some of the organizational business services and initial association memberships. Contact Angie or David for details.
 - MEORC is in the process of developing a financial risk assessment to help providers/county boards analyze revenue changes as the system evolves (ADS to employment services)
- **Self-Care:** Liz Baldrige
