## **Universal restroom at the Hartford Fair**

Momentum Refresh is the first-ever universally designed mobile restroom resource in the U.S. Their restroom vehicles include a wheelchair lift, adjustable changing table that can accommodate an adult, a ceiling hoist (people should bring their own harness) and accessible toilet & sink. Trained staff man the vehicle at all times to provide information and clean between uses. Anyone can use the vehicle, including seniors, veterans and people from other counties. They don't need to be people we support, but for those folks it can be a game changer. Here's a video that shows why the vehicle is so helpful: <https://www.youtube.com/watch?v=A9QmMZouJuA>

The vehicle will be parked next to the Centerburg Trojan Burger stand at the following hours:  
10 a.m. to 8:30 p.m. Sunday, Aug. 4.  
10 a.m. to 7 p.m. Monday, Aug. 5 - Friday, Aug. 9.  
10 a.m. to 6 p.m. Saturday, Aug. 10.

## **Grants available for SYNERGY 2024 conference**

The Synergy Conference at Kalahari Resort is an incredible event designed to create an environment of collaboration, innovation and growth among those who experience and support people with developmental disabilities. The Licking County Board of D.D is offering grants to day service providers again this year for Self-Advocates to attend! Grant are \$500 for each Licking County Self-Advocate who would like to attend [all 3 days](#) of the conference, and a \$500 grant for an agency staff person to attend if needed for support. Please contact David to apply. For more info re: Synergy 2024: <https://synergyohio.org/>
